Dear Judge Kopf,

FILED  
U.S. DISTRICT COURT  
DIST. OF NEBRASKA

05CR3019-2

2006 MAY 18 PM 1:09

I'm writing you ~~OFFICE~~ ~~regarding~~ ~~about~~ my trial. I feel that I was misrepresented in my trial for several occasions / reasons. ① My lawyer who is Mike Gooch. I asked him to file a motion to suppress evidence that was used against in my trial, that shouldn't have been in the first place because it was not in my indictment time nor was I charged with this evidence.

My lawyer never filed this motion at all! When I asked him about the motion he kept putting it off. ② I gave my lawyer several questions to ask the witnesses, but at my trial he failed to ~~ask~~ follow through with these important questions. ③ Everytime I talked to my lawyer he kept telling me to make it easy on myself and say that "I'm guilty." I feel that he gave up hope for me and my case. I feel like he was prosecuting my case rather than assisting me with my case. I feel my trial was unfair and would like another shot at my case. ④ The jury was paying more attention to my ~~friend~~ rather than the witness. Several witnesses got found lying under oath and I feel that they should be incredibly to my trial. I really feel that I got the short end of the stick and would like a second chance at my life. Thank you for your time.

Sincerely, Khalat Adama.
